

Visual Organogram/Diagram

Showing How the Teams Interact and Make the Roles and Reporting Lines Clearer.

The diagram visually maps out how the **Cooperation Partner (CFSF)**, the **Implementing Partners (BWI, PSI, IUF)**, the **National Project Committee (NPC)**, and the **Sectoral Initiative Committees (SICs)** interact and report to one another.

The structure highlights:

- **CFSF (COP)** at the left: financial and administrative backbone.
- **Implementing Partners** at the right: sectoral leadership and daily project execution.
- **NPC** in the center: strategic oversight and coordination.
- **SICs** at the bottom: sector-level planning, monitoring, and union ownership.

Shareable Page Layout With Headings

Here's a **professionally formatted one-page briefing layout** ready for presentation or distribution. It combines the summary text with a clean visual hierarchy, color-coded role sections, and placeholders for your organization's logo and the Union-to-Union emblem to be placed.

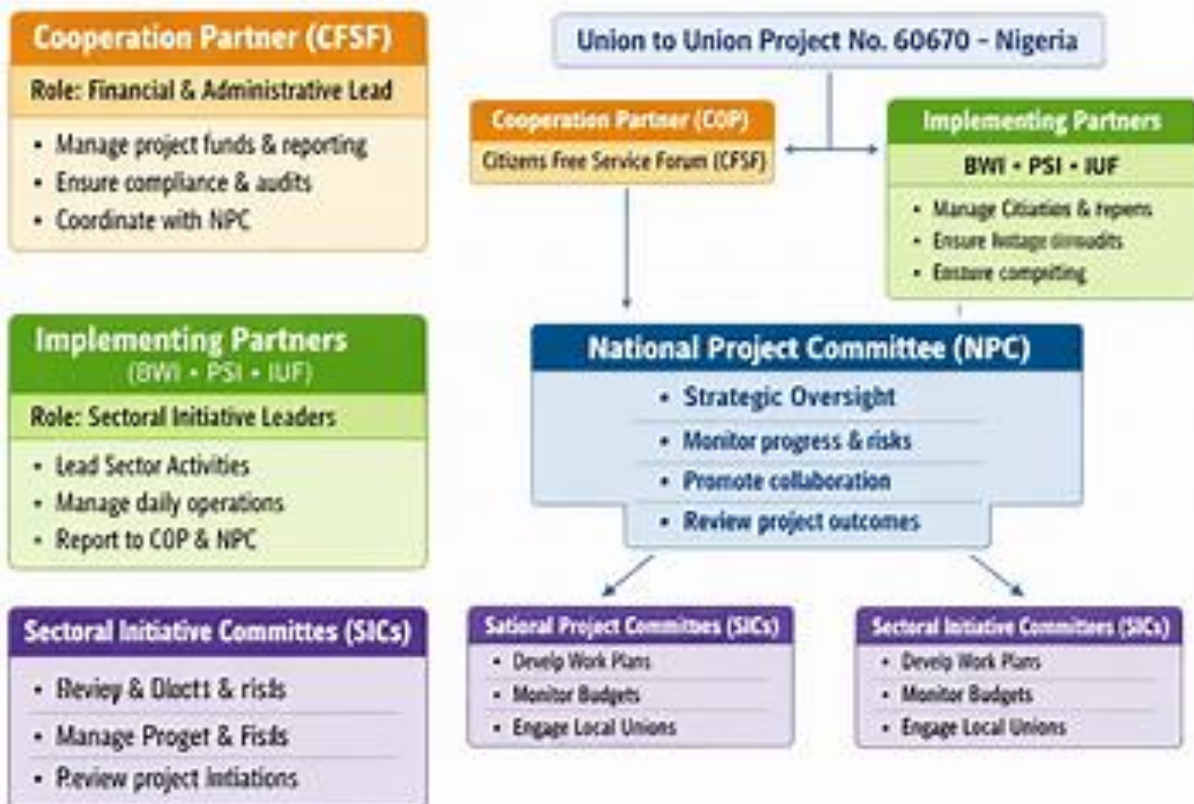

This layout makes it easy for stakeholders to grasp the governance structure at a glance, showing how **CFSF, BWI • PSI • IUF, NPC, and SICs** connect within the project framework.

Briefing Note : Roles and Responsibilities

Union to Union Project No. 60670 - Nigeria

Purpose

This Memorandum of Understanding (MoU) defines how Citizens Free Service Forum (CFSF) and the Global Union Federations (BWI, PSI, IUF) collaborate to implement from their Union to Union-funded multisector project in Nigeria. It establishes clear accountability, coordination, and reporting lines.

Summary

The MoU establishes a four-tier governance model:

- CFSF (COP) ensures financial integrity.
- BWI, PSI, IUF lead sectoral execution.
- NPC provides strategic oversight.
- SICs engage grassroots unions.

Together, we ensure transparency, collaboration, and effective delivery of the Union to Union Project 60670 in Nigeria.
